

THE 26TH ANNUAL

Meredith Music Festival

DECEMBER 9, 10 & 11 2016

POCKET COMPANION

Thankyou Very Much for being part of The 26th Meredith. Pocket Companion is designed to help make your time here incredibly smooth and outrageously enjoyable.

The Meredith Supernatural Amphitheatre can feel like a sovereign dominion (her own country), but the usual laws apply within the festival boundaries as they do outside them. Likewise, the laws of the human body are no different here than anywhere else. So Please Look After Yourself And Others and Get Prepared.

Follow our Directions to get here, drive safely and be good in town.

To camp together arrive together - in convoy.

The one and only stage lets loose from 4pm Friday.

Asthmatics, allergy sufferers please go to First Aid early if you have concerns. To repel mozzies pack an effective repellent that contains deet or picaridin. If you have a viral or bacterial illness please take one for the team and stay home, to keep from infecting others.

Read on carefully, even if you have flown with us before. Go to www.mmf.com.au for Every Thing.

I very much look forward to The Pleasure of Your Company,

Aunty

Aunty Meredith
and the Supernatural Custodians

PLEASE FORWARD THIS ON TO YOUR FRIENDS WHO ARE COMING

- Save the 24 hour Helper Hotline number to your phone to call or sms for assistance - 0430 091 120. You and your guests can register your tickets and in-case-of emergency contact numbers with us - mmf.com.au/register.

- Avoid setting up camp next to vehicle exhausts.
- Smokers and nonsmokers: ensure butts are 100% extinguished every time. Drench them in the dregs of a can. Or grind them fully out and bin them.

PLEASE LOOK AFTER YOURSELF AND OTHERS

Here at the Supernatural Amphitheatre, we want you to have the best possible time. The time of your life. We also want your friends and the people around you to have a great time. Please don't stuff that up by being irresponsible for your wellbeing.

- If you have a viral or bacterial illness please stay at home, to keep from infecting others.
- You and your guests can register your tickets and in-case-of-emergency contact numbers with us - mmf.com.au/register.
- Please wash your hands.
- Do not use drugs. But especially do not use drugs on your own. If you are feeling unwell - tell someone. If you or a friend has taken drugs and are in need of medical attention, the First Aid staff are not obliged to involve the Police and will not judge you. They are here to help. Go to First Aid and be honest with them.
- Mixing alcohol and drugs greatly increases the possibility of overdose or accidents, as does mixing two or more drugs, even if taken hours apart.
- Be careful mixing alcohol and energy drinks. The caffeine and sugar wear off before the effects of alcohol.
- Rest and rehydrate. Drink water regularly and eat well.
- Trees can, like us, break. Take care when camping under them and definitely don't climb them.
- For your safety please always stay within the festival boundaries, familiarise yourself with the festival map grid reference of your campsite, the location of your local helper hut and the emergency assembly areas.
- Please notify our staff if you see something you think is unsafe or might need attention.

THE NO DICKHEAD POLICY

Is really about us showing each other common courtesies. It began in the early 90s when it was clear Meredith-goers liked the lack of dickhead behaviour.

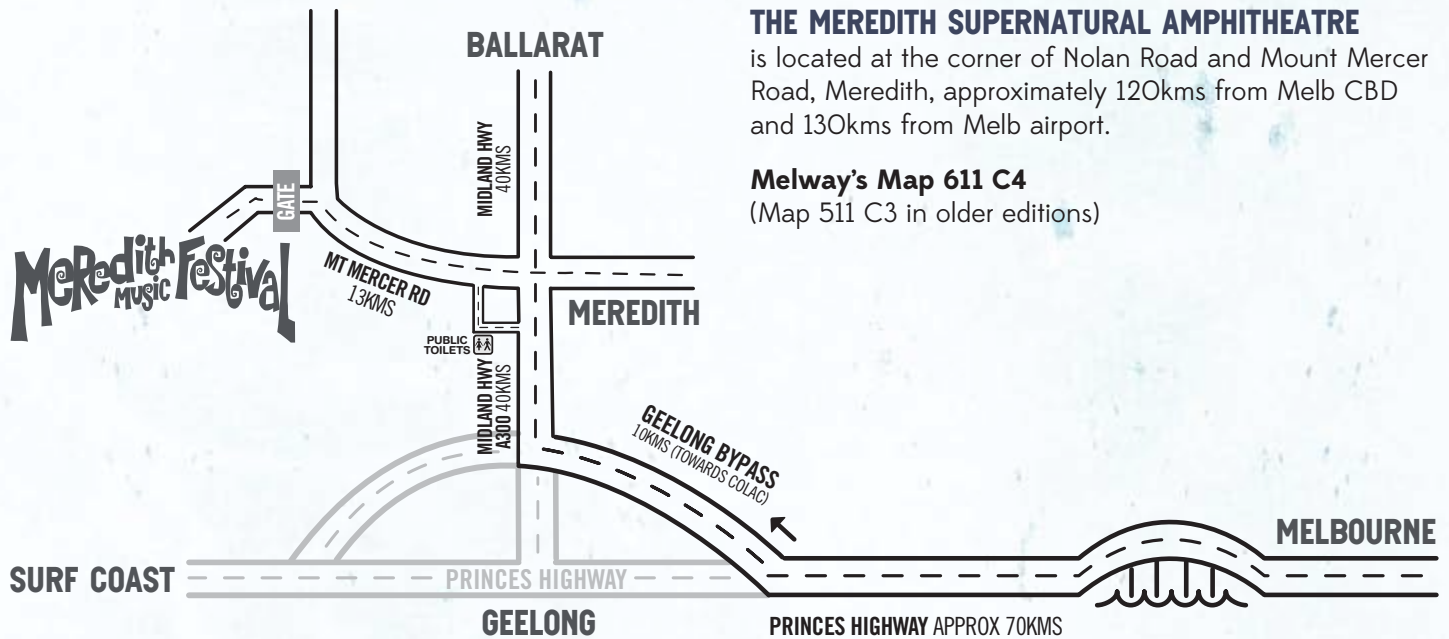

If you think you've spotted someone being a dickhead, politely let them or one of their friends know. Sometimes it's good people making mistakes. If one of your friends is being a dickhead, get them to pull their head in.

For help contact the Info Centre, the nearest Helper Hut, sms/call 0430 091 120, or email: auntym@mmf.com.au.

Thanking you for upholding this tradition, for the betterment of all Meredithkind.

GET THERE AND BACK SAFELY

We respect the work of Victoria Police who set up Booze and Drug Testing Buses before and after the festival. Get here and back safely. Never drive under the influence. ALWAYS designate a driver. On Sunday, there are FREE TAC Breath Testing units at all the Helper Huts in the campgrounds, at Info and Reception. Get a breath test before getting behind the wheel. Simple and effective.

- Anyone without a valid Festival Wristband will be regarded as a trespasser and handed over to the Police. Trespassers will be charged and subject to substantial fines. Any vehicle assisting a trespasser will have all occupants refused entry. Anyone wearing a forged or invalid Festival Wristband will be regarded as a trespasser and handed over to Police.

DRIVERS

At the festival, NEVER REVERSE. Always check under and around your vehicle before moving it. Do not drive during the festival. If you need to leave early, park in the public car park (near Reception). Take the festival shuttle to town and back, or check out Heaven Eleven (next to the Info Centre) - they sell things you forgot. Zero Tolerance for d!@&heads behind the wheel.
