Campground access for buses is available at the discretion of the Traffic Manager depending on bus specifications, site conditions and weather. If your preferred campground is not available, you will need to choose one that is or park your bus at the parking area at Reception and walk to your campsite from there. Thank you

DIRECTIONS

1. Drive down the far left lane of the driveway and follow the signs to the Bus Stop at Reception. Reception staff will board the bus and check-in all valid ticket holders. Passengers should stay on the bus until everyone is checked in.
2. Please follow directions of the Traffic Control team, keeping to a one-way road system. Please consider your exit before parking your vehicle, facing the exit where possible.
