WELCOME

Thank you for being part of Golden Plains Sweet Sixteen. Little Golden Booklet is designed to help make your time here incredibly smooth and outrageously enjoyable.

HEAT – very high temperatures are forecast, so please plan to bring extra bulk water supplies for your campsite, along with electrolytes, shade, and maybe a spray bottle for misting yourself. Please also factor in hydration for the journey here and back again. Drivers, check the water and oil in your vehicle before leaving home. It might pay to stop and seek out shade on the way, and complete your journey in stages, rather than all at once.

PLEASE LOOK AFTER YOURSELF AND OTHERS

The Meredith Supernatural Amphitheatre can feel like a sovereign dominion, but the same laws that apply outside its boundaries apply within them. Similarly, the laws of the human body are no different here than anywhere else. Rest and rehydrate. Pace yourself. Do not mix drugs and do not use them on your own. If you are feeling unwell, tell someone. Current Department of Health drug alerts can be found [here](#).

NO FIRES – it's a Total Fire Ban day and night. A great deal of preparation and work goes into making The Sup' as comfortable and safe as possible. You can read more about our approach to emergency preparedness [here](#).

NO GLASS or CERAMIC – don't bring any glass at all. In order to look after the animals that call this farm home, all glass will be confiscated. Ceramic crockery is no good either.

NO TOOLS – don't bring tools like hand and power saws, nail guns etc. They are banned items and will be confiscated.

GET PREPARED – check the **forecast** before you leave and bring waterproof clothing and several changes of warm clothes. Quality waterproof boots are highly recommended, as is bringing a ground sheet or tarp to place under your tent. No thongs – the #1 treated injury on the First Aid Hit Parade is cut feet: can't dance to that. And cover up and slip-slop-slap.

Asthmatics and sufferers of allergies such as hayfever, please come prepared, and go to First Aid early if you have concerns. To combat mozzies, pack an effective repellent that contains deet or picaridin.

If you have a viral or bacterial illness, please take one for the team and stay home to keep from infecting others.

Follow our **Directions** to get here, drive safely and be good in town. To camp together, arrive together – in convoy.

The one and only stage lets loose from 1:10pm Saturday with the Smoking Ceremony, Nolesy's Long Blink and Welcome to Country.

Read on carefully, even if you've flown with us before. Go to **goldenplains.com.au** for Every Thing.

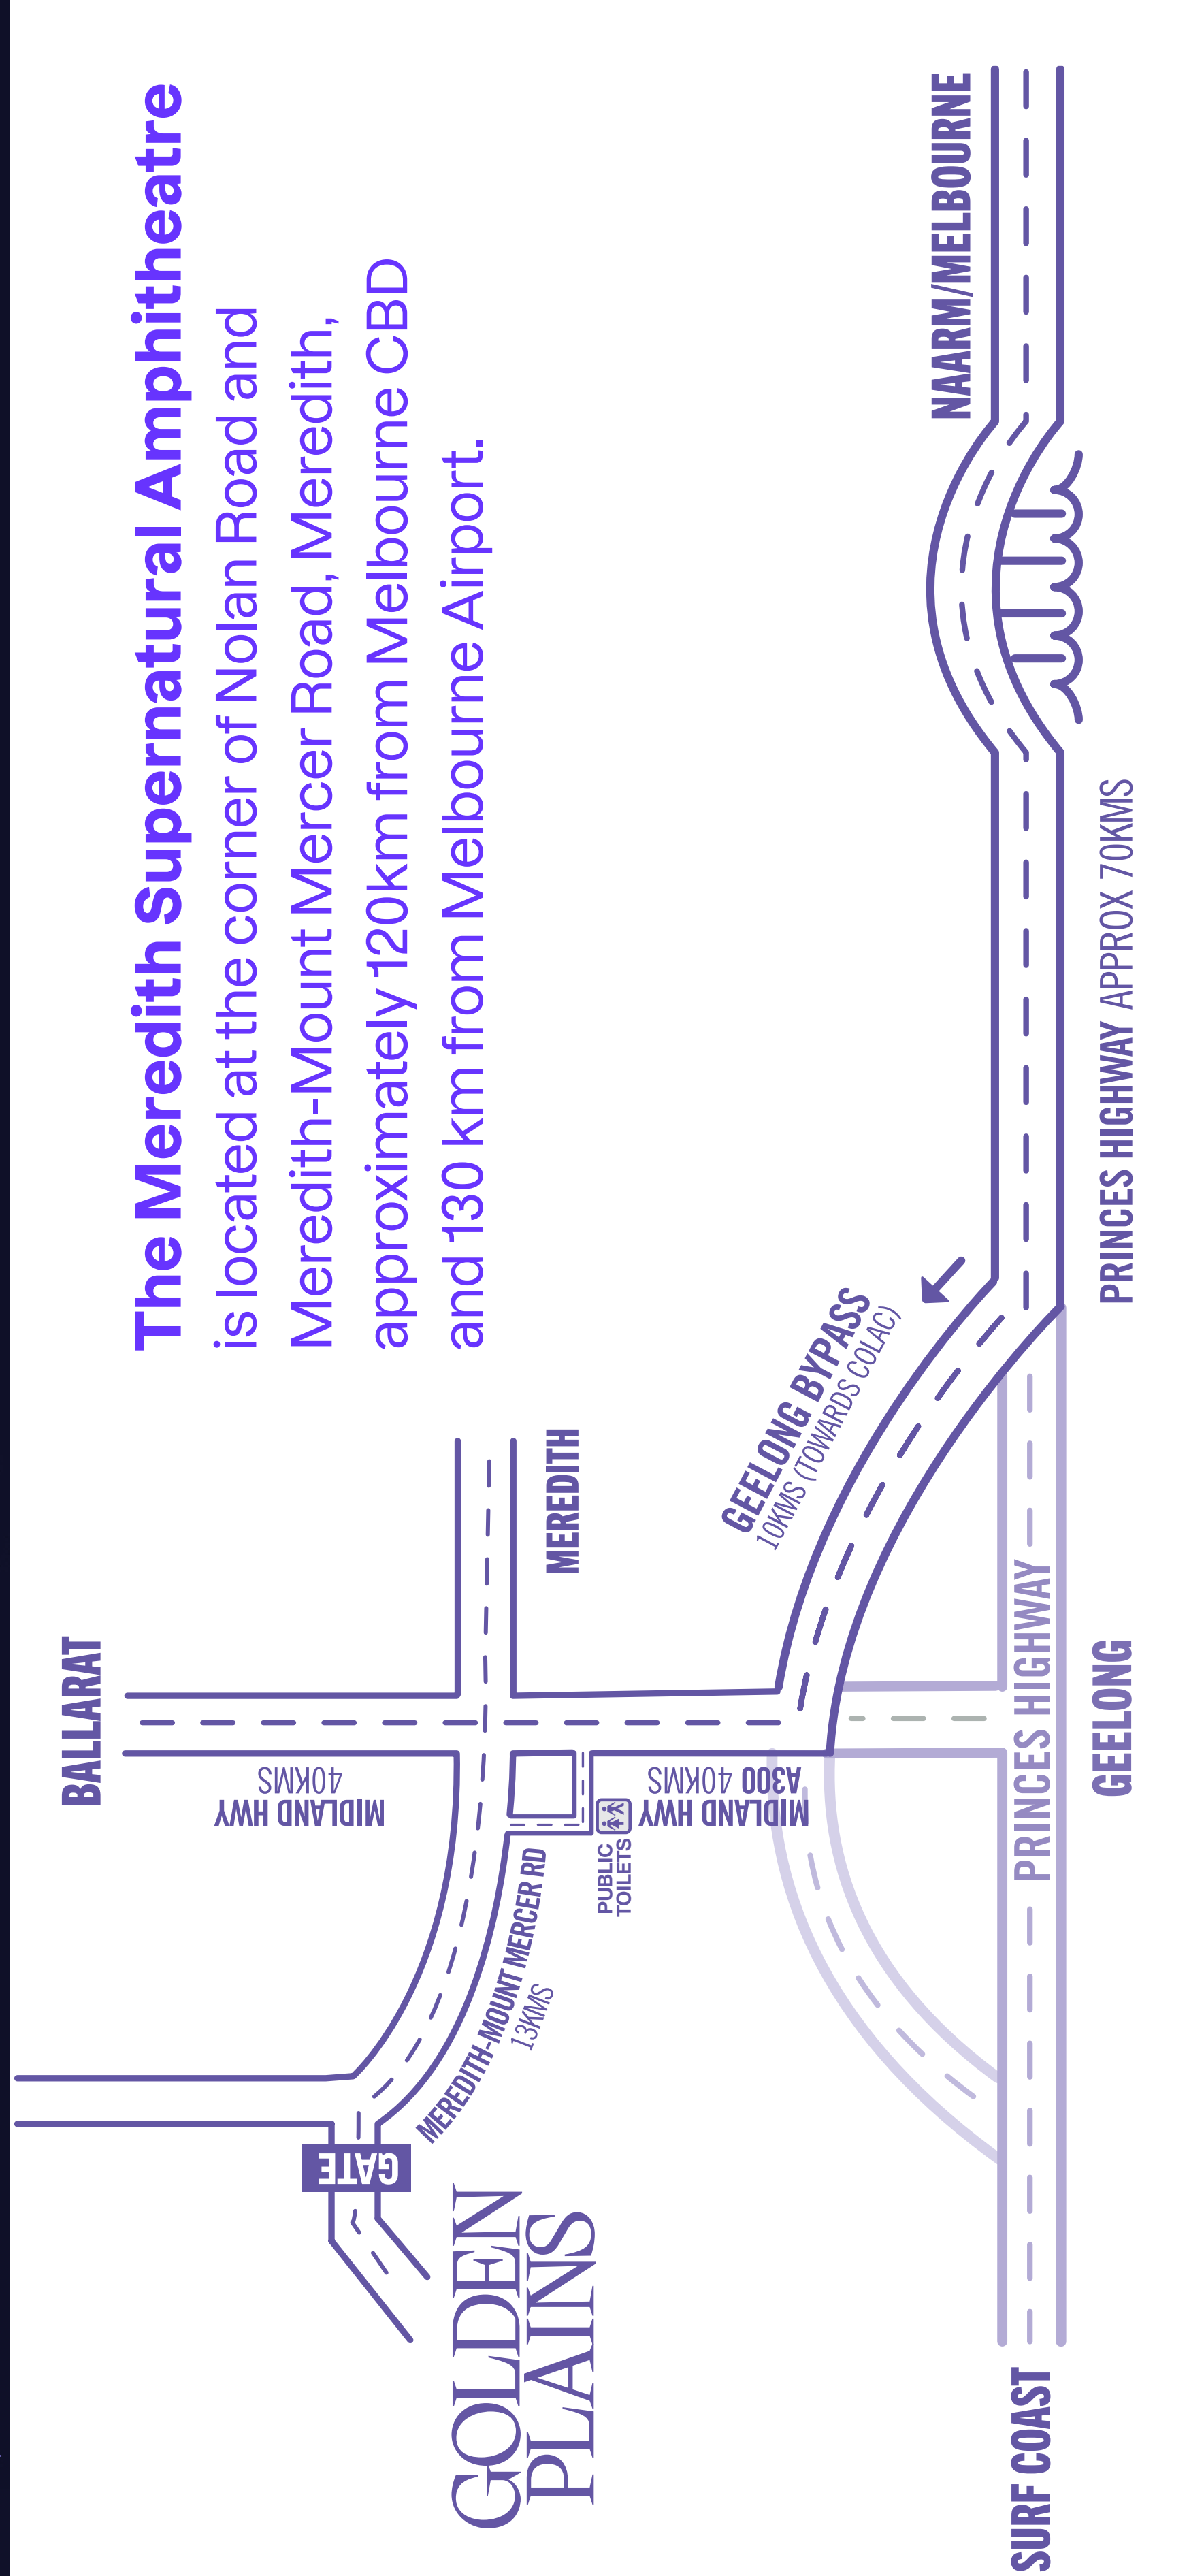

I very much look forward to The Pleasure of Your Company,

Aunty

HOW TO GET HERE

**GATES OPEN AT 8AM ON SATURDAY.
PLEASE DON'T COME EARLIER
– ROADBLOCKS ARE IN PLACE.**

The Meredith Supernatural Amphitheatre

is located at the corner of Nolan Road and Meredith-Mount Mercer Road, Meredith, approximately 120km from Melbourne CBD and 130 km from Melbourne Airport.

DRIVING FROM NAARM/MELBOURNE

From Naarm/Melbourne, take the Princes Fwy (M1) towards Geelong.

As you approach Geelong, keep right to stay on the Geelong Bypass, following the signs to Colac.

Travel on the Geelong Bypass for about 10 km and then take the Ballarat Exit A300.

Turn right onto the Midland Hwy (A300) and head towards Ballarat for about 40 km until you get to Meredith.

At Meredith, turn left after the service station. This is Meredith-Mount Mercer Road.

The Sup' is approximately 13 km along this road.*

DRIVING FROM GEELONG & SURF COAST

From Geelong, take the Midland Hwy (A300) and head towards Ballarat for about 40 km until you get to Meredith.

At Meredith, turn left after the service station. This is Meredith-Mount Mercer Road.

The Sup' is approximately 13 km along this road.*

***On the Saturday, this might ordinarily take up to 60 minutes, as there are holding bays in place to ensure safe and steady traffic flow.**

DRIVING FROM BALLARAT

From Ballarat, take the Midland Hwy (A300) and head towards Geelong for about 40 km until you get to Meredith.

Turn right after the corner pub in Meredith. This is Meredith-Mount Mercer Road.

The Sup' is approximately 13 km along this road.*

Deans Road is closed to festival traffic on entry (Saturday) and exit (Monday) days. Exercise plenty of care if using Elaine–Mt Mercer Road, which is very much a country road. Be sure to follow the above directions rather than any shortcuts or navigation app.

***On the Saturday, this might ordinarily take up to 60 minutes, as there are holding bays in place to ensure safe and steady traffic flow.**

BE GOOD IN TOWN

Please respect the fine township of Meredith, our gracious hosts, and be good if you stop in town. Observe traffic rules – don't overtake. Don't litter, swear, have a sneaky wee on a fence, etc. You know, don't be a dickhead.

GET THERE AND BACK SAFELY

We respect the work of Victoria Police who set up booze and drug testing buses before and after.

Getting home safely is part of going. If you take drugs, do not drive. Many drugs can stay in your system for over a week. NEVER drive under the influence. ALWAYS designate a driver. Free breath testing will be available next to the Meredith Eye throughout the weekend, and from two other satellite locations on the last day (SportsField and near the U11 Helper Hut at the junction of Outer Space, Top Camp and South Pines). Get a breath test before getting behind the wheel. Drug (saliva) testing is also available at the location next to the Ferris Wheel throughout the weekend.

REMEMBER

- There is no reserving campsites, so if you want to camp together, arrive together in convoy.
- Put your wristband on (not too tight) as you head to Golden Plains, and leave it on for the duration, until you are out the gate at the end.
- Anyone without a valid wristband will be regarded as a trespasser and handed over to Police. Trespassers will be charged and subject to substantial fines. Any vehicle assisting a trespasser will have all occupants refused entry. Anyone wearing a forged or invalid wristband will be regarded as a trespasser and handed over to Police. Wristbands must stay on all weekend and cannot be shared.

DRIVERS

- During and after entry, drive slower than walking pace (5 km/h or less).
- Park safely at camp and do not drive again until you leave.
- Park perpendicular to any slope (across it rather than up or down).
- Triple-check that your handbrake is on.
- NEVER REVERSE.
- Always check under and around your vehicle before moving it.
- Be aware that driving on wet grass or gravel can be slippery.
- Take the MSA shuttle (which departs from the Reception Bus Stop) to town and back on Sunday, or check out Heaven Eleven (next to Helper Hut Central) – they sell things you forgot.
- Zero tolerance for dickheads behind the wheel.

If you have a chronic condition or illness (including asthma, diabetes, epilepsy) and/or allergies, please come prepared with your medication and present to First Aid early if you are concerned or experiencing difficulty. - Please register your tickets and in-case-of emergency contact numbers via [**goldenplains.com.au/register**](https://goldenplains.com.au/register)
- Download the free [**Emergency Plus App**](#). The app uses GPS functionality to help staff and emergency services locate you.
- Maybe bring something to read, something to play – not bongos! (see banned items below)

AND WHAT NOT TO

There are some things you can't bring, including: glass, commercial signage, gas bottles, animals, and things that block views in the Amphitheatre. You can bring things-on-sticks, but they must be narrower than your average head of cauliflower. Don't bring tools like hand and power saws, nail guns, etc. They will be confiscated. **Banned items** and the **terms, conditions** and **policies** are viewable at [**goldenplains.com.au**](https://goldenplains.com.au)

CAUTION FIRE WARNING

**NO FIRES, NO MATTER THE WEATHER.
TOTAL FIRE BAN DAY AND NIGHT.**

- No gas bottles, gas kegs, candles, lanterns, cooking equipment, BBQs, generators, fireworks, sparklers or lasers. You can cloak and/or discard all banned items at Reception and your nearest Helper Hut (a much better option than having your stuff confiscated by staff).
- Keep all internal roads clear for emergency vehicles. And by clear we don't mean kinda clear, or mostly clear. If it doesn't fit, park it elsewhere. Please do not park ANY part of your vehicle on ANY road. If you do, it will be towed.
- Cigarettes – ensure butts are 100% extinguished. Butt 'em out, pick 'em up, put 'em in the bin. It's real easy. Used vapes can be disposed of at Helper Huts rather than in the general waste, as they are a danger to waste staff.
- Avoid setting up next to vehicle exhaust.
- Keep your campsite free of flammable material and rubbish.
- Don't leave your vehicle running longer than necessary.
- Free drinking water tanks in the food courts, at the showers and in the campgrounds can be used for bulk water refills at campsites.

The symbols on the Playing Times within this Little Golden Booklet are current as of the date of publication, but may be subject to change.

Performance uses one or more of: rapidly flashing lights, visuals with repeating patterns and/or strobe-like effects, designed to create a high sensory experience. Discretion is advised.

PLEASE LOOK AFTER YOURSELF AND OTHERS

We want you to have the best possible time. The time of your life. We also want your friends and the people around you to have a great time. Please don't stuff that up by being irresponsible for your wellbeing.

- Rest and rehydrate. Golden Plains goes for two and a half days. Pace yourself if you want to enjoy it all. Take regular drinks of water, particularly in hot weather.

If you are intending to take drugs or drink alcohol, please take these things into consideration:

- Never source drugs at Golden Plains.
- Mixing two or more drugs (polydrug use) greatly increases the possibility of overdose or accidents, even if taken hours apart. Please be mindful that many fatal overdoses involve the use of more than one type of drug. Polydrug use can include the use of alcohol, illegal drugs, prescription drugs and over-the-counter medications.
- Be aware of the potential outcomes from the combination of **MDMA and other stimulants and hot environments.**
- Do not use drugs on your own.
- If you or someone near you is feeling unwell, immediately alert our staff, a Helper Hut, security, or the First Aid/Welfare team (to the far right of the stage). If you or a friend have taken drugs and are in need of medical attention, medical staff are not

obliged to involve anyone else, including the Police. So don't be afraid to go to First Aid/Welfare. The team is not here to judge you, they are here to help you. So be honest with them. Everyone can access appropriate professional help during the weekend.

- Drug education information is available from all Helper Huts and First Aid/Welfare.
- Current Department of Health drug alerts can be found [here](#).
- For anonymous, confidential and accessible information about particular drugs, you can use the Alcohol and Drug Foundation's free Text the Effects SMS service 24/7. Simply text the name of the drug you want to know about to: 0439 tell me (0439 835 563). You can also contact [DirectLine](#), which provides free confidential alcohol and drug counselling and referral 24/7 on 1800 888 236.
- If you have a viral or bacterial illness (including COVID-19) please stay at home, to keep from infecting others.
- Please wash your hands.
- Trees can, like us, break. Take care when camping under them and definitely don't climb them.
- For your safety please always stay within the boundaries, familiarise yourself with the map grid reference of your campsite, the location of your local Helper Hut and the emergency assembly areas.
- Please notify our staff if you see something you think is unsafe or might need attention.
- Have a buddy system in place with a trusted mate. Check in regularly with each other, especially if you or a friend have an illness or allergy.

THE NO DICKHEAD POLICY

Is really about us showing each other common courtesies. It began in the early 90s when it was clear Sup-goers liked the lack of dickhead behaviour.

NEVER – any aggressive behaviour, harassment, intoxicated drivers, driving faster than walking pace, swimming in dams or elsewhere, glass or lawbreaking.

IN THE AMPHITHEATRE – no stage diving, crowd surfing, shoulder rides, moshing or blocking views with raised couches, things-on-sticks (ok if narrow) or big cameras.

IN THE CAMPGROUNDS – no reserving campsites, super-messy campsites, loud or offensive tunes or leaving furniture and crap behind for landfill.

CONSENT – not being a dickhead includes respecting consent. Consent is the presence of an informed and specific verbal and nonverbal yes – it is not the absence of a no. Consent is given by enthusiastically opting in – not by being silent. We can only freely agree to something if we are able to express our thoughts and feelings in a clear, calm way. Once consent is given it can be withdrawn at any time.

If you think you've spotted someone being a dickhead, politely let them or one of their friends know. Sometimes it's good people making mistakes. If one of your friends is being a dickhead, get them to pull their head in.

THANK YOU FOR UPHOLDING THIS TRADITION.
